Recommendation A. 2.

1. We concur in this recommendation. 25X1A6a
2. The intelligence potential of the [redacted] area has been well demonstrated by its successful exploitation by the [redacted] Resident Agency. Certain inferences in the Survey relative to the possibly erroneous location of the latter, however, are open to serious question. The [redacted] it is true, has not proven to be a particularly valuable source of foreign intelligence, but its members have rendered invaluable assistance to the three [redacted] members who make up the staff of the resident agency. The [redacted] Resident Agency has proven to be an extremely successful and profitable operation. 25X1A6a 25X1A
3. It is not believed that the individual to occupy this post should be selected from the present incumbents in [redacted] [redacted], as the Survey recommends. It is expected, however, that the professional position would be secured by a corresponding reduction at [redacted] 25X1A6a 25X1A6a
